Main Floor 1488 sq. ft.

The Bradford Lifestyle Room

Stylish elegance best suits this fabulous bungalow. Accents include a cathedral ceiling which runs throughout the main living area creating a spacious open feel. The large open kitchen is a joy to cook in; you can visit with family and guests in view of the three-sided gas fireplace. Another focal point is the beautiful staircase and railing detail which accents the family room. This makes an ideal tie in for future basement development. Truly a full feature home.
