

The Brighton

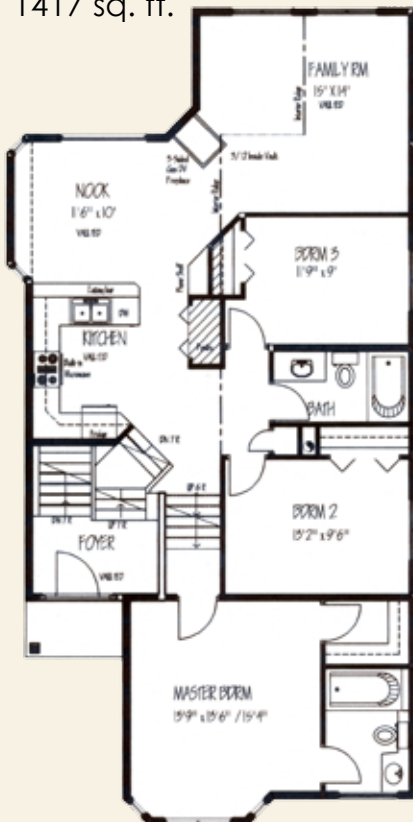

1417 sq. ft. bi-level

Ask about our other available designs

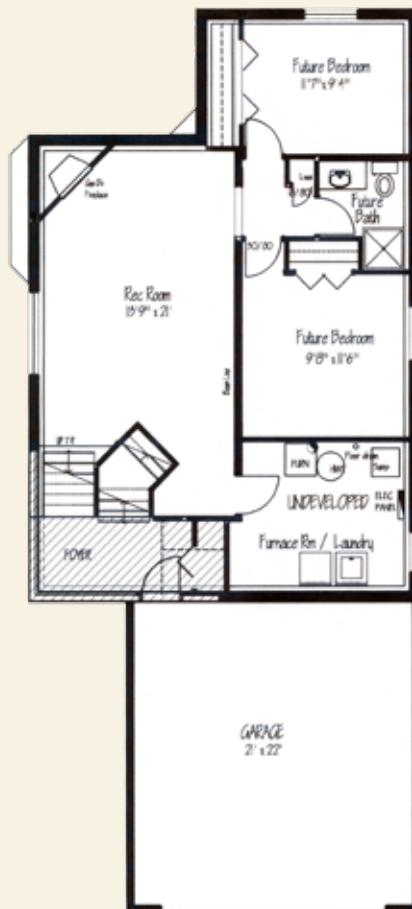

Some exterior finishes and features may be optional.

Main and Upper Floors
1417 sq. ft.

Basement Floor 691 sq. ft.

It all starts with a spacious foyer and continues to get better from there. Enjoy the comfort of the three-sided gas fireplace which can be viewed from the vaulted family room, the nook or the large kitchen with pantry. Main living area includes three bedrooms complete with an attractive staircase leading to the master bedroom. Additional basement development potential allows for a large recreation room, two additional bedrooms and a full bathroom. The Brighton is designed with innovation for practical living.
