

# The Stratford

1 500 sq. ft. bi-level

Ask about our other available designs

Some exterior finishes and features may be optional.

**Exceptional curb appeal** and interior functional design. Open vaulted ceilings throughout, with an ensuite featuring his and her vanities. Main floor laundry conveniently located next to oversized garage. When you complete the optional lower level with a family room, theatre, bath and fourth bedroom, you have a total of over 2000 square feet of practical living space.
